NOTICE OF PROTOCOL REGARDING CLAIMS OF OWNERSHIP OF NORTHWEST  
TERRITORIAL MINT COINING DIES AND ASSOCIATED MATERIALS AND DEADLINE  
TO ASSERT INTEREST IN OR OWNERSHIP OF COINING DIES

PLEASE TAKE NOTICE that on April 1, 2016, Northwest Territorial Mint, LLC ("NWTM") filed a petition for bankruptcy relief under Chapter 11 of the United States Bankruptcy Code under Case No. 16-11767-CMA. On April 11, 2016, the United States Bankruptcy Court for the Western District of Washington appointed Mark Calvert as the Chapter 11 Trustee (the "Trustee") over NWTM.

PLEASE TAKE FURTHER NOTICE that NWTM operated a custom minting business whereby customers would contract with NWTM to produce coins and medallions bearing specific designs. In order to produce these coins and medallions, NWTM created custom coining dies (each, together with any associated materials such as plasters, galvanos, and artwork, a "NWTM Die") to press the coin or medallion using the artwork provided by the customer.

PLEASE TAKE FURTHER NOTICE that based upon his investigation of the records of NWTM and the historical business practices of the business, the Trustee believes that with limited exceptions, NWTM retained ownership of all NWTM Dies created to produce coins, medallions, or other products for customers. The Trustee understands that some NWTM customers may assert ownership of a NWTM Die. It is the intent of the Trustee to sell the NWTM Dies, subject to court approval, to a buyer capable of preserving the NWTM Dies and producing coins, medallions or other products at the request of the customer.

Further, NWTM maintains some associated material related to some die, which may include bas-relief sculptures, trim tools and a sample strike, or specimen, of a struck coin or medal.

PLEASE TAKE FURTHER NOTICE that if you assert an interest in or ownership of a NWTM Die or associated materials you must, by June 21, 2018 (the "Die Claim Deadline") contact the Trustee in writing and assert an interest in or ownership of a NWTM Die by filling out a request for die form at [www.dierequest.nwtmint.com](http://www.dierequest.nwtmint.com) and must further provide any evidence in support of your claims of interest or ownership or contact the Trustee in writing at:

c/o Denise Lentz  
K&L Gates LLP  
925 Fourth Ave., Suite 2900  
Seattle, WA 98104

Customers asserting an interest in a NWTM Die will need to provide information establishing their association with specific dies such as a copy of a sales quote, order, invoice, written communication, or other information sufficient to establish the association with a specific die.

PLEASE TAKE FURTHER NOTICE that the United States Bankruptcy Court has authorized the Trustee to settle customer claims of an interest in or ownership of a NWTM Die and to

Mr. Royce -

I have received your email regarding the transfer of die ownership. After doing some research, we have already transferred some of your dies to Medalcraft Mint, see the attached images of those dies that have been transferred.

I have found the die numbers for the SWAT coin and would be happy to process this request. The court approved fee for the ownership transfer is \$300.00 per die.

The die number is,  
G 9 58

The reverse die that is used with the SWAT coin is owned by Northwest Territorial Mint. They are both common reverses that I would not be able to transfer over to you.

I am available by phone, 775-461-7341, if you would like to make a payment using a debit/credit card, or you can send a check to the following address. Dies will be pulled and shipped once payment has been received.

comment: We have purchased and own 4 dies for the Rialto Police Benefit Association. I'm not sure of the die numbers but the job numbers and images are attached. Also, we had provisional use of a St. Michael and SWAT die for use with the Carrera Memorial Die for non profit use. I don't know those die numbers but have attached their image(s) as well. Please let me know if you need additional information.

Mr. Green,

It was nice speaking with you this afternoon. I have received your email requesting die ownership to be transferred from Northwest Territorial Mint to Clark County Fire District. I have found the die numbers for your coin and would be happy to process this request. The court has determined that NWTMINT retained ownership of all NWTMINT dies created to produce coins, medallions or other products for customers. The court has approved a fee for the ownership transfer in the amount of \$300.00 per die.

Your die numbers are,  
M 10 68  
M 10 69

Hi Jenifer,  
Thank you for your information via phone just now.

Below is the original email sent to you that bounced back.

I received your name from Denise Lentz of K&L Gates LLP in Seattle, WA regarding my attempt to receive the die that our agency purchased from NW Territorial Mint LLC. The die request form doesn't appear to be on the associated website provided in the letter received, and therefore am reaching out to you for assistance in assuring I meet the June 21, 2018 deadline as referenced in the letter.

You will find purchasing information attached to email for verification, along with a letter that was just sent out to Ms. Gates. Denise immediately called me and provided your contact information as the individual who is handling this process of die recovery.

Your assistance is greatly appreciated.

Sincerely,

Jerry

C/O Denise Lentz  
K&L Gates, LLP  
925 Fourth Ave., Suite 2900  
Seattle, WA 98104

Dear Ms. Lentz,

I am attempting to secure the die cast that was ordered, when our agency purchased it along with 125 coins from Northwest Territorial Mint LLC in June of 2016 (Sales Order: 144295, and included in this letter along with other supporting documentation.

Unfortunately, the "die form" doesn't appear to be located on the [www.dierequest.nwtmint.com](http://www.dierequest.nwtmint.com) website, or is very hard to find if it is there.

I left a voicemail at approximately 10:30 a.m. this morning for you, providing information for contacting me as well, along with what I'm attempting to complete prior to the deadline of June 21, 2018 as indicated in the letter received from K&L Gates LLP on May 29<sup>th</sup>.

Your assistance in assisting me prior to the deadline would be greatly appreciated.

Sincerely,

  
Jerry Green
